MEMORANDUM FOR: Lt. General Horace M. Wade, USAF
Deputy Chief of Staff, Personnel
Department of the Air Force

SUBJECT : Proposed Reassignment of Brigadier
General [redacted]

25X1

1. General [redacted] has made an outstanding contribution to this Agency in the last two years. He is, in our opinion, an exemplary officer. We are, however, most sympathetic that his career is with the Air Force and should proceed. We thus reluctantly concur in his reassignment and wish him all the best.

25X1

2. In your conversation with General [redacted] I understand that you indicated that you would identify two officers as possible replacements and that you would be willing to submit their records for review. I would appreciate the forwarding of those records.

25X1

3. We value the continued fine support which this program has received from the USAF and the caliber of your personnel associated with it.
